EX	Chromel® Ni Cr	Constantan Cu Ni						
LX	Special Din Fe	Special Din Cu Ni						

©Hoskins Mfg.Co.

COMPENSATING

KX K-COMP	Copper Cu	Constantan Cu Ni						
WX K-COMP	Iron Fe	Copper Nickel Cu Ni						
RX/SX	Copper Cu	Alloy 11 Cu Ni						
BX	Copper Cu	Copper Cu						

- NOTES:**
- 1. THERMOCOUPLE GRADE** cables have a specific colour coding for the ANSI M96.1 system. The individual conductors are colour coded as per the extension cables for K,J,T,N,E but the overall sheath colour is **BROWN**.
 - The most common colour code system in use in Australia is the USA ANSI M96.1.
 - For ANSI Colour Coded cables the **NEGATIVE** is always **RED**.
